Payments and Commission

Under the terms of our agreements with the Insurance companies with whom we place business, we normally receive premiums you pay to us as Agent of the Insurer. All insurance premiums you pay to us are placed in an Insurers' Premium Account until we pay Insurers. We may use premiums kept in this account to provide credit to our customers, and pay claims, as a result we maintain additional capital resources and strict credit-control and monitoring procedures, as required by the FCA. We do not pay any interest on premiums held by us in the course of arranging and administering your insurance.

We usually receive a commission from the insurer with whom we place your business.

We normally accept payment by cheque, postal order or by any major Credit/Debit card. You may be able to spread your payments through the Insurers' own instalment schemes, a credit scheme (which we have arranged with an established insurance premium finance provider) or in some instances our own instalment system. We will give you full information about your payment options when you take out your insurance.

Please Note: Your policy cover will cease if you fail to keep up payments on an instalment agreement or premium finance facility related to it.

Policies cancelled during the 14 day cancellation period will receive a full refund of any premium paid provided that there have been no claims paid, notified or outstanding.
